

90% an Angel

Chorus

She's 90% an angel, you won't believe it but I swear it's true

She's 90% an angel, and that leaves 10% for you.

She looks so innocent and sweet, from her long blond hair to her high heeled feet

She's so refined yet so unique, shakin' what she's got to the big city beat.

Chorus

She wears tight jeans and a loose fittin' top, she acts so shy but she knows what she's got.

Playin' like she's easy but you know that she's not, she's a baby and a lady neatly tied up in a knot.

Chorus

Middle

Well she's still young enough to be somebody's baby

Though she looks 100% every inch a lady, it's enough to drive you crazy.

She's everything you dream about and more, the Snow White of Walt Disney lore,

The little girl who lives next door, think what she'll be like when she grows up some more, til then

Chorus

Last

10% is left, 10% is left, 10% percent is left for you, and 10% will just have to do.
