

Love at First Sight

Verse 1

It was love, (yes love), at first sight
And it lasted, (lasted) through the night
Now it's plain to see it was just meant to be

Verse 2

I was clearly (a case) of destiny
We fit (together) so perfectly
I believe tonight in a love at first sight

MIDDLE

Love, love, love, is what we're falling into
Love, love, love, come on let's rendezvous

Verse 3

When I looked at you (and you) looked at me
Well we (both knew) instinctively
We'd never be alone, share one heart and one home

INSTRUMENTAL

REPEAT MIDDLE

I saw (your smile) across the floor
And I (wanted you) for evermore
I know we're right; it was love at first sight

FADE

It was love (yes love) at first sight,
It was love (at first sight)
