

Chihuahua Cha Cha

Chihuahua Cha Cha, Chihuahua Cha Cha, you can do it if you really try
Chihuahua Cha Cha, Chihuahua Cha Cha, come on now it's as easy as pie

Put your right foot forward then your left one too
Then you cha cha cha just like you normally would
Now one step backward and paw the ground
Bow wow to your partner and then spin around.

Chihuahua Cha Cha, Chihuahua Cha Cha, you can do it all day and all night
Chihuahua Cha Cha, Chihuahua Cha Cha, its bark is much worse than its bite.

Wag your tail and shake it oh so proud
Keep on moving no panting allowed
All the breeds and hounds in the crowd
Never stop howling out loud

Chihuahua Cha Cha, Chihuahua Cha Cha, any dog can do it with ease
Chihuahua Cha Cha, Chihuahua Cha Cha, it'll even get rid of your fleas.

Instrumental verse break or

Big dogs, small dogs any size will do
Hey out there, I'm talking to you
Don't pretend you haven't got a clue
It's easy now, I'll walk you through

Chihuahua Cha Cha, Chihuahua Cha Cha, all you mutts and pedigrees
Chihuahua Cha Cha, Chihuahua Cha Cha, c'mon now and try it with me

All right 1, 2 cha cha cha, back now, paw, paw now, bow wow now,
Spin around now, scratch the ground now, sniff around now, cha cha now
